

BEFORE
ANYTHING ELSE,
PREPARATION IS
THE KEY TO
SUCCESS

ALEXANDER GRAHAM BELL

OUR PROGRAM

Communities In Schools of Seattle is part of the nation's leading dropout prevention organization. We work in schools full time to remove barriers to student success by building one-on-one relationships that empower students to stay in school and achieve in life.

Because we're in schools all day every day, we see the unique needs of each student and partner with teachers, administrators, local businesses, and the whole community to address those needs. We connect students with the relationship and resources they need to succeed.

Communities In Schools of Seattle's

STUFF THE BUS

SCHOOL SUPPLY DRIVE

ABOUT

The Stuff The Bus school supply drive is an annual summer effort during which Communities In Schools of Seattle partners up with local businesses and organizations to collect school supplies. At the end of the summer we bring a school bus around to collecting sites to literally stuff the bus. The items are then sorted, counted, and distributed to Seattle schools.

IMPACT

From backpacks to carry books home, to art supplies to foster creativity, every item you donate to Stuff The Bus prepares kids to be successful in school and in life. Your donations also help relieve an expensive burden on teachers and families - who spend, on average, between \$150-\$400 on supplies each year.

GET INVOLVED

Join the effort to prepare thousands of kids for the school year by: becoming a presenting partner, collecting school supplies at your workplace, becoming a public drop-off location, volunteering with a group or on your own, or making a donation online at <http://tinyurl.com/stb-give>.

YOU CAN MAKE A DIFFERENCE. JOIN THE DRIVE TODAY!
